

Using

BERKELEY ARTS MAGNET

Rolling Drop-Off

- ➔ **Be patient!** Pull forward and wait in your car. A volunteer will open the door and help your child out.
- ➔ **Stay in line** Don't pull away between the cones. There may be cyclists or other cars coming through.
- ➔ **No U-turns** Exit to Shattuck Avenue.

See map on the other side for drop-off zone location and traffic flow around the school.

PLEASE: Following this procedure is critical to ensuring the drop-off runs well. When it does, we will start the day on time and it will keep everyone safe as traffic flows more smoothly around the school.
