Run!

It is time again for the BAM Runathon! This fundraiser is a healthy activity while raising money for our school. It continues to be a challenging year for fundraising, and this is the second to last one for the school year. This is a fun way for our students to help their school while being outside and exercising.

Students: Try and get as many sponsors as you can. Ask your caregiver, a family member, family friends, etc. This is a great chance to support your school! After you run, record the number of laps run, collect your pledges, and return this form with the money to your teacher or the box in the main office. Sponsors can submit the money online but please still submit this form so we can track participation. **Pledge forms due by Friday, May 13, 2022.**

Sponsors: Funds raised support crucial programs at BAM. Please give any amount. Either a per-lap amount or a flat pledge. You can submit cash, check, or pay online. Please make checks payable to Berkeley Arts Magnet PTA (not BAM PTA) or pay online at www.berkeleyartsmagnet.org/events/bam-runathon/.
